

Our Rare Dry Gin is crafted to deliver the best of all worlds: a perfect, classic gin and also something that would fascinate and delight even the most hardened gin fanatic.

It's spicy with great citrus. The Tasmanian pepperberry leaf is brilliant on the palate, giving us warmth rather than heat, and the lemon myrtle is a beautiful, complex and unique alternative to lemon peel.

We're using whole oranges which is unusual, but Australian citrus is highly aromatic and supports the spicier botanicals like coriander, cardamom and star anise.

Our Rare Dry Gin has been awarded medals at prestigious international competitions around the world including Double Gold at the San Francisco World Spirits Competition in 2016 and 2014, Gold at the Global Gin Masters in 2016, and Gold at the Hong Kong IWSC in 2014.

Four Pillars Gin is a small Australian gin distillery in Healesville, Yarra Valley.

Our passion for gin is driven by our desire to elevate the craft of distilling and celebrate the art of cocktail making.

Everything we make is crafted on four pillars: our magnificent copper pot stills; the best water in the world from our home in the Yarra; an equal mix of great local and exotic botanicals; and, a commitment to craft and attention to detail every step of the way.
